

REGENEVITA HEALTH

Robert W. Alexander

M.D. • D.M.D. • F.I.C.S.

CURRICULUM VITAE

Updated October 4, 2026 · Professional appointments, credentials, research, publications, presentations, and clinical trials

EDUCATION

GRADUATE DOCTOR OF DENTAL SURGERY (DMD), Magna Cum Laude, Valedictorian, St. Louis University Medical Center, Schools of Medicine and Dentistry

GRADUATE DOCTOR OF MEDICINE, With Full Honors & Advanced Standing, University of Florida Medical Center, School of Medicine

PRE-DOCTORAL RESEARCH FELLOWSHIP, National Institutes of Health, St. Louis University, School of Medicine, Department of Surgery, 1964-68

EXTERN/INTERNSHIP, Department of Surgery, St. Louis University, School of Medicine, 1967-68

POST-DOCTORAL RESEARCH FELLOWSHIP, National Institutes of Health, University of Texas, Southwestern Medical School, Departments of Surgery and Biological Structure, 1968-71

GRADUATE STUDENT (MASTERS) AND INSTRUCTOR OF ANATOMY, University of Texas, Southwestern Medical School, Dallas, Texas, 1968-1971

FIRST AND SECOND YEAR RESIDENT, Department of Surgery, Division of Cranio-Maxillofacial Surgery, University of Texas, Southwestern Medical School at Parkland Memorial Hospital, 1968-70

CHIEF SURGICAL RESIDENT, Department of Surgery, Division of Maxillofacial Surgery, University of Texas, Southwestern Medical School at Parkland Memorial Hospital, 1970-71

FACULTY APPOINTMENTS

ASSISTANT PROFESSOR AND CHAIRMAN, University of Florida (JHEP), University Hospital, Chairman, Department of Maxillofacial-Craniofacial Surgery, 1971-74

CLINICAL ASSISTANT PROFESSOR, University of Texas, Health Science Center at San Antonio, Department of Surgery, Appointment 1995

ASSOCIATE CLINICAL PROFESSOR, University of Washington, Department of Surgery/Maxillofacial Surgery, Appointment 2001

ASSISTANT PROFESSOR (CLINICAL), University of Texas, Health Science Center at San Antonio, Department of Surgery, 1995 Appointment

CLINICAL PROFESSOR, University of Washington, School of Medicine & Dentistry, Department of Surgery & Maxillocraniofacial Surgery

AWARDS

ALPHA OMEGA SCHOLASTIC AWARD, Highest Academic Standing, St. Louis University Medical Center

ST. LOUIS UNIVERSITY GOLD MEDAL AWARD, presented by Faculty & Staff, St. Louis University Medical Center

GEORGE B. WINTER MEMORIAL AWARD, General Surgery

C.V. MOSBY AWARD, Experimental Surgery and Basic Applied Research

OMICRON KAPPA UPSILON, Scholastic Honor Society

PSI OMEGA ACHIEVEMENT CITATION

ALPHA SIGMA NU APPOINTMENT, National Honor Society

WILLIAM H. BAUER AWARD, General Pathology

NATIONAL LEADERSHIP AWARD, American Academy of Cosmetic Surgery 1993

TOP 10 STEM CELL INNOVATORS, International Regenerative Medicine, 2015

LEADERSHIP IN COSMETIC SURGERY PRESIDENTIAL AWARD, Presented at Annual Scientific Session, AACCS, Los Angeles, February 1993

AMERICAN ACADEMY OF COSMETIC SURGERY AWARD FOR MOST SCHOLARLY ORIGINAL SCIENTIFIC ARTICLE, American Journal of Cosmetic Surgery 1999, Awarded in 2001

AMERICAN ACADEMY OF COSMETIC SURGERY AWARD FOR MOST SCHOLARLY ORIGINAL SCIENTIFIC ARTICLE, American Journal of Cosmetic Surgery 2006, Awarded in 2007

INTERNATIONAL ACADEMY OF REGENERATIVE PRACTICES, Voted TOP 10 Innovators in the Field of STEM CELL INNOVATION, 2015

DIRECTOR, FELLOWSHIP TRAINING ONE YEAR PROGRAM, Academy of Regenerative Therapies & Science (2024-2026)

CERTIFICATIONS & LICENSURE

FEDERAL LICENSURE EXAMINATION (FLEX) Medicine, 1974

NATIONAL BOARD OF MEDICAL EXAMINERS

STATE LICENSURE MEDICINE, in Montana, Washington, Florida, North Carolina

STATE LICENSURE DENTISTRY, in Texas and Florida

ADVANCED CARDIAC LIFE SUPPORT (ACLS)

ADVANCED TRAUMA LIFE SUPPORT (ATLS)

BOARD EXAMINER, American Board of Cosmetic/Reconstructive Surgery, 1991-2012

BOARD EXAMINER, American Board of Regenerative Surgery, 2016-Present

PRACTICE

PRIVATE PRACTICE, Aesthetic & Reconstructive Surgery, Cranio-Maxillofacial Surgery, Regenerative and Wound Healing, Hamilton, Montana

PRIVATE PRACTICE, Cellular & Biocellular Regenerative Medicine, Hamilton,
Director, Clinical Trials, Institute of Regenerative Medicine (2018-current)

ASSOCIATIONS & FELLOWSHIPS

FELLOW, INTERNATIONAL COLLEGE OF SURGEONS (Division - plastic surgery)

PRESIDENT American Academy of Cranio-Maxillofacial Surgeons (1984-86)

FELLOW, American College of Maxillofacial-Craniofacial Surgeons (ACMCS)

American Association of Maxillofacial Surgeons (AAMS)

American Academy of Cosmetic Surgery (AACS)

American Society of Liposuction Surgery (ASLS)

American Society of Cosmetic Breast Surgery (ASCBS)

American Society of Emergency Physicians (ASEP)

International Federation of Adipose Therapeutics & Science (IFATS)

International Society of Stem Cell Research (ISSCR)

American Academy of Regenerative Medicine (AARM)

American Association of Orthopedic Medicine (AAOM)

International College of Surgeons, Plastic Surgery Division (FICS) 1995-Present

Fellow, American College of Regenerative Medicine (FACRM)

MEMBER International Society of Cosmetic Laser Surgeons (ISCLS)

International Cellular Medicine Society (ICMS)

American Medical Association, Washington State Medical Society

Montana Medical Association

Editorial Advisory Board, The American Journal of Cosmetic Surgery, 1994-2014

Regulatory Committee for IFATS 2015-2016

Global Alliance of Regenerative Medicine (GARM)

American Academy of Regenerative Surgery

Academy of Regenerative Therapies & Science

BOARD CERTIFICATION:

DIPLOMATE: American Board of General Aesthetic & Reconstructive Surgery (1990)

DIPOMATE: American Board of Regenerative Medicine (2016)

LEADERSHIP

CHAIRMAN, Committee on National Clinical Training Programs in Cosmetic Surgery, American Board of Cosmetic Surgery, 1991-94

CHAIRMAN, Committee on Clinical Training Programs in Cosmetic Surgery, American Academy of Cosmetic Surgery, 1994-95

CO-CHAIRMAN, National Task Force on Liposuction Safety and Practices, American Academy of Cosmetic Surgery / American Society of Liposuction Surgery, 1999-02

COMMITTEE MEMBER, Liposuction Safety and Practices, American Society of Liposuction Surgery & American Academy of Cosmetic Surgery, 2000-Present

CHAIRMAN, Subcommittee to Establish Fat Grafting Guidelines and Protocol Standardization, American Society of Liposuction Surgery, 2006

EDITORIAL BOARD MEMBER FOR 28 PEER REVIEWED JOURNALS IN PLASTIC, RECONSTRUCTIVE SURGERY, AESTHETIC AND COSMETIC SURGERY, REGENERATIVE MEDICINE AND STEM CELL THERAPIES 2005-Present.

FOUNDING BOARD MEMBER, Global Alliance for Regenerative Medicine, Roatan, HN 2014-Current

PRESENTATIONS

ALEXANDER, ROBERT W., Presentation to Washington University, Department of Otorhinolaryngology, April 1967, titled "Surgical and Medical Management of Problems Relating to the Temporomandibular Articulation"

ALEXANDER, ROBERT W. AND FITZGERALD, M.J.T, Presentation to the National Scientific Session, American Association of Anatomists, Chicago, April 1968, entitled "Ganglion Cells of the Cat Tongue". Light and Electron Microscopy

ALEXANDER, ROBERT W. AND FITZGERALD, M.J.T, Presentation to the National Scientific Session, American Association of Anatomists, Chicago, 1970, entitled "The Significance of the Intramuscular Ganglia of the Cat Tongue"

ALEXANDER, ROBERT W. AND WILLIAMS, VICK, Presentation to the National Scientific Session, American Association of Anatomists, Chicago, 1970, entitled "An Ultrastructural Study of the Submandibular Ganglion in the Cat"

ALEXANDER, ROBERT W. AND WALKER, ROBERT W., Presentation of Continuing Medical Education Seminar Program, Department of Surgery, Vanderbilt University, September 1970, entitled "Major Maxillofacial Surgery"

ALEXANDER, ROBERT W., Host and Speaker, University of Florida, Department of Surgery, Continuing Education Seminar, August 1971, entitled "Management of Congenital Defects of the Head and Neck"

ALEXANDER, ROBERT W., Presentation Program for Continuing Medical Education, University of Washington, Department of Plastic Surgery and Maxillofacial Surgery, December 1971

ALEXANDER, ROBERT W., Guest Speaker, Southeast Surgical Society, April 1972, entitled "Considerations in Soft Tissue Surgical Management"

ALEXANDER, ROBERT W., Presentation to American College of Maxillofacial Surgeons at Park City, Utah, November 1984, entitled "Regional Soft Tissue Flap Reconstruction of Major Avulsive Defects"

ALEXANDER, ROBERT W., Presentation to American College of Maxillofacial Surgeons at Jackson Hole, Wyoming, May 1986

ALEXANDER, ROBERT W., Presentation to University of Texas, Southwestern Medical School, Dallas, Texas, April 1988

ALEXANDER, ROBERT W., Presentation and Instructor, American Association of Maxillofacial Surgeons - Rhinoplasty Course; San Francisco, September 1989 and San Diego, January 1990

ALEXANDER, ROBERT W., Three-day Presentation of Lecture and Dissection Course, American College of Maxillofacial Surgery, University of Washington, Battelle Conference Center, February-June 1990

ALEXANDER, ROBERT W., Course Director and Lecturer, "Cosmetic Maxillofacial Surgical Skills Workshop, Part I" American Association of Maxillofacial Surgeons, Chicago, April 1991

ALEXANDER, ROBERT W., Course Director and Lecturer, "Cosmetic Maxillofacial Surgical Skills Workshop, Part II" American Association of Maxillofacial Surgeons, Chicago, August 1991

ALEXANDER, ROBERT W., "Cervicofacial Liposculpture with Syringe: Working in the Superficial Plane" Tenth (10th) World Congress on Liposuction Surgery, San Antonio, TX April 16-18, 1993

ALEXANDER, ROBERT W., "Body Liposculpture in the Superficial Plane" National Scientific Session, American Academy of Cosmetic Surgery, Rancho Mirage, CA January 1994

ALEXANDER, ROBERT W., "Use of Gortex Sutures in Aesthetic and Functional Nasal Reconstructive Surgery" Richard Webster Combined Meeting, Philadelphia, PA November 1994

ALEXANDER, ROBERT W., "Autologous Fat Transfer for Facial and Breast Augmentation, Report on Clinical Trial" 13th World Congress on Liposuction Surgery, San Francisco, CA May 3-5, 1996

ALEXANDER, ROBERT W., "Breast Augmentation By Injection of Autologous Fat: BAMBI Procedure" American Society of Cosmetic Breast Surgery, Newport Beach, CA May 17-20, 1996

ALEXANDER, ROBERT W., "Fat Grafts: Are They Effective?" Moderator, National Panel, American Academy of Cosmetic Surgery 13th Annual Scientific Session, Rancho Mirage, CA January 16-19, 1997

ALEXANDER, ROBERT W., "The Future of Liposuction" Invited National Panelist, 14th Annual Scientific Session, American Academy of Cosmetic Surgery, New Orleans, LA January 29-February 1, 1998

ALEXANDER, ROBERT W., "Tumescent Liposuction" Invited National Panelist, 15th World Congress on Liposuction Surgery, Pasadena, CA October 9-11, 1998

ALEXANDER, ROBERT W., "Clinical Guidelines For Autologous Fat Transfer" 15th World Congress on Liposuction Surgery, Pasadena, CA October 9-11, 1998

ALEXANDER, ROBERT W., "Isolation and Use of PRP In Small and Large Volume Autologous Fat Grafting" 20th World Congress on Liposuction Surgery, St. Louis, MO October 2, 2004

ALEXANDER, ROBERT W. & JONOV, CRAIG, "Autologous Fat Grafting In Primary Liposuction Surgery" American Society of Liposuction Surgery and American Academy of Cosmetic Surgery, Phoenix, AZ January 24, 2007

ALEXANDER, ROBERT W., "Use of PRP Concentrates To Increase Bioactivity At Injection or Wound Sites" Invited Feature Presenter, Conference on Regenerative Matrix Grafts & Ultrasound Guidance Therapy, St. Louis, MO July 19-20, 2007

ALEXANDER, ROBERT W., "Understanding Autologous Platelet-Rich Plasma Concentrate Use In Acute and Chronic Wound Sites" Scarpone-Crane Sports Medicine Symposium, Pittsburgh, PA November 2008

ALEXANDER, ROBERT W., "Use Of Adipose-Derived Stem Cells in Regenerative Therapy" Scarpone-Crane Sports Medicine Symposium, Pittsburgh, PA Nov 2008

ALEXANDER, ROBERT W., "Use of Autologous Fat Grafts As Mesenchymal Stem-Cell Source And Scaffolding/Matrix For Use With PRP" Presentation- Regenerative Matrix Conference, Salt Lake City, May 17, 2009

ALEXANDER, ROBERT W., "Autologous Fat Grafting: Bioscaffolding and Source Of Mesenchymal Stem-Cells" Invited Featured Speaker, Conference on A.R.M. Therapy In Sports Medicine, St. Louis, MO Oct 7-9, 2010

ALEXANDER, ROBERT W., "Use of Adipose-Derived Stromal Cells With High Density Platelet-Rich Plasma (PRP) For Use In Plastic Surgery and Cell-Based Regenerative Medicine" International Asian Stem Cell Conference, Seoul, South Korea, March 26-29, 2011

ALEXANDER, ROBERT W., "Use of Lipoaspirates To Serve As A Bioscaffold and Stromal Cell Source With High Density PRP Concentrates In Aesthetic Surgery" Coronado Conference, San Diego, CA August 19-21, 2011

ALEXANDER, ROBERT W., "Lipografting Guidelines In Aesthetic & Regenerative Medicine" Invited Featured Speaker, European Masters In Anti-Aging Medicine (EMAA), Paris, September 2011

ALEXANDER, ROBERT W., "Understanding Autologous Adipose-Derived Stem/Stromal Cells, Native Bioactive Scaffolding, and Use of High-Density Platelet Concentrates" European Masters In Anti-Aging Medicine (EMAA), Paris, October 2011

ALEXANDER, ROBERT W., Principal Investigator, NEIRB #11-414 VP 339 "Performance Characterization of Adipose Harvest" New England Institutional Review Board, December 2011

ALEXANDER, ROBERT W., "Use of Lipoaspirates (SVF) and High-Density Platelet Concentrates in Regenerative Medicine" Orthopaedic Update 2012, Allegheny General Hospital, Pittsburgh, PA March 2012

ALEXANDER, ROBERT W., ALDERMAN, D, "Live Surgical Demonstration: Use of Microcannula Closed Syringe Harvest of Adipose Grafts Plus HD-PRP" AOAP Regenerative Medicine (AOAPRM), Naples, FL April 2012

ALEXANDER, ROBERT W., "Use of Closed Syringe Harvesting of Lipoaspirates Plus HD-PRP Concentrates" 21st Congress, International Society Aesthetic Plastic Surgery (ISAPS), Geneva, Switzerland, September 2012

ALEXANDER, ROBERT W., "Use Of Microcannula Closed Syringe System For Acquiring Quality Adipose-Derived Stromal Vascular Fraction" International Stem Cell Society (STEMSO) 2013, Ft. Lauderdale, February 6-8, 2013

ALEXANDER, ROBERT W, ET AL., "Autologous Adipose-Derived Stromal/Stem Cells With Platelet-Rich Plasma As Biocellular Regenerative Therapy In The Treatment of Chronic Proximal Hamstring Tendon Tear" Association of Academic Physiatrists (AAP), New Orleans, March 6-10, 2013

ALEXANDER, ROBERT W., "Adipose-Derived Tissue Stromal Vascular Fraction (tSVF) in Biocellular Regenerative Medicine" National Scientific Session, American Association of Orthopaedic Medicine (AAOM), Phoenix, AZ April 24-27, 2013

ALEXANDER, ROBERT W., "Biocellular Regenerative Medicine in Aesthetic, Wound and Orthopaedic Medicine & Surgery 2014" Invited Guest Speaker, GARM, Roatan, Honduras, February 19-21, 2014

ALEXANDER, ROBERT W., "Update On Biocellular Medicine" Invited Guest Speaker, Orthopaedic Surgical Update 2014; Allegheny General Hospital, March 28-30, 2014

ALEXANDER, ROBERT W., "Update on Biocellular Regenerative Medicine 2014" Invited Guest Featured Speaker, Annual Scientific Session, AOAPRM, Kansas City, MO May 8-10, 2014

ALEXANDER, ROBERT W., "Biocellular Regenerative Medicine: Background, Current Protocols & Where It Is Going" Invited Featured Guest Speaker, 39th ACOFPCA Annual Scientific Session 2015, Anaheim, CA August 6-9, 2015

ALEXANDER, ROBERT W., "Biocellular Regenerative Medicine: Update on Cellular and Biological Therapies" Featured Speaker, Training Institute For Regenerative Medicine (TIRM); Houston, TX February 27, 2016

ALEXANDER, ROBERT W., "Cellular and Regenerative Therapies 2016" Featured Guest Speaker, AOAPRM Annual Scientific Session, San Diego, CA., May 11-15, 2016, 2017.

ALEXANDER, ROBERT W., Featured Speaker, 2017 SDARTs Meeting, Regenerative Plastic & Reconstructive Surgery, August 4-6, 2017 Didactic and Cadaver Training, San Diego, CA.

ALEXANDER, ROBERT W., Live Surgical Training Sponsored By TIRM, 6 Annual Trainings Per Year From 2015-2019. Full One Day One-on-One Training, Hands On (8 Hours each).

ALEXANDER, ROBERT W., Section Speaker, 2019 SDARTs Meeting, Regenerative Plastic, Aesthetic, and Regenerative Med-Surgical Course (3 Day) August 2-4, 2019; Didactic and Cadaver Practicum, San Diego, CA.

ALEXANDER, ROBERT W., International Webinar, Featured Speaker: "Use of Tissue Stromal Vascular Fraction (tSVF) and Cellular Stromal Vascular Fraction (cSVF) in Orthobiologic and Systemic Disorders" Sept 2020, Sponsored by Healeon Medical Inc.

ALEXANDER, ROBERT W., International Webinar Featured Speaker: "Residual Lung Damage in SARS-CoV-2: COVID-19 & Uses Adipose-Derived Cellular Stromal Vascular Fraction (cSVF) in Clinical Trial", 2020, Oct. 3, Sponsored by Black Tie Medical.

ALEXANDER, ROBERT W., Moderator & Master's Presenter; "The Power Of Adipose Tissue Complex (ATC): In Aesthetic Surgery, Regenerative Medicine, and Wound Healing", 2023, February, American Academy of Cosmetic Surgery (AACS) Annual Scientific Session, San Diego. CA

ALEXANDER, ROBERT W., Featured Presentation to Southern CA Plastic & Regenerative Medicine Practitioners; "Overview and Uses of Adipose Tissue Complex (ATC) Plus High-Density Platelet-Rich Plasma (HD-PRP) In Biocellular Therapies", 2023, Black Tie Medical, February 11th, San Diego, CA

ALEXANDER, ROBERT W., Featured Presentation, Outcomes & Review of Clinical Trial (NCT #04326036): "Treatment Of Residual Damage in SARS-CoV-2: Long COVID-19 Damage Using AD-cSVF, Using Functional Respiratory Imaging (FRI)"; 2023, West Coast Plastic Surgeons and Regenerative Medicine, Black Tie Medical Conference, February 11th, San Diego, CA.

ALEXANDER, ROBERT W., Selected & Awarded Honor as One Of Best American Physicians, Plastic Reconstructive Surgery, March 2023, USA.

ALEXANDER, ROBERT W., Invited Speaker and Featured Presentations For SDARTs International Meeting, 5 Featured Lectures In Plastic Reconstructive Surgery & Regenerative Medicine, In July 14-17th, 2023, UCSD (University of CA San Diego) Conference.

ALEXANDER, ROBERT W., Co-Chairman and Featured Speaker, SDARTS 5th International Meeting and Practicum Sessions in Aesthetic & Reconstructive Surgery, Regenerative Medicine and Wound Healing entitled "Catch The Wave Of Regenerative Therapies, August 8-11th, 2024, UCSD (University of CA San Diego) Conference and Center for Advanced Surgery.

ALEXANDER, ROBERT W., "Blending Autologous Biological Components With Adipose Stromal Vascular Fraction To Optimize Aesthetic & Regenerative Therapies", SDARTS 5th International Meeting and Practicum Sessions, August 8th, 2024, UCSD (University of CA San Diego) Conference and Center for Advanced Surgery.

ALEXANDER, ROBERT W., "Advancement in IV Therapies Using Adipose cSVF For Systemic Conditions", August 10th, 2024, UCSD (University of CA San Diego) Conference and Center for Advanced Surgery.

ALEXANDER, ROBERT W., Practicum and Laboratory Chairman Featured, SDARTS 5th International Meeting, Practicum Sessions in Regenerative Medicine and Wound Healing, August 11th, 2024, UCSD (University of CA San Diego) Conference and Center for Advanced Surgery.

WORKS IN PROGRESS

ALEXANDER, ROBERT W., EVERTS, PETER A., “Biocellular Regenerative Medicine: Adipose-Derived Tissue and Cellular Stromal Vascular Fraction, Perivascular Origin of Mesenchymal Stem Cells, Exosome Paracrinology, and Combined NANOFAT/Micronized tSVF with High-Density Platelet-Rich Plasma in Orthobiologic and Wound Healing Applications: An Integrated Updated Review”, J. Stem Cell Research, (2026), Pending Submission.

ALEXANDER, ROBERT W., “Importance of Adipose-Derived Mesenchymal Stem and Stromal Cells With High Density Platelet-Derived Growth Factors and Cytokines (HD-PRP) In Structural Fat Grafting”, to be submitted, 2027

Alexander, Robert W., Stokes, Matt C., “Biocellular Treatment Protocol For Low Back Pain and Degenerative Changes: Ultrasound Diagnosis, Treatment Planning, Targeted Guidance, and Case Examples”, To Be Submitted in 2027

Alexander Robert W., Stokes, Matt C., “Posterior Gluteal (Hip) Decompression Protocol: Looking Beyond Piriformis Sonographic Diagnosis and Treatment In Regenerative Medicine”, To be Submitted 2027.

Alexander Robert W., Stokes, Matt C., “Sonographic Evaluation of Increased caliber/cross-sectional of the Greater Occipital Nerve at the Level of 2nd Cervical Vertebra Within the Splenius Capitus Muscle with Ultrasound Guided Hydro-dissection/Decompression.”, To be Submitted 2027.

Alexander Robert W., Stokes, Matt C., “Static and Dynamic Sonographic Evaluation of the Acromio-Clavicular Joint to Determine Joint Impingement with Multi-plane Ultrasound Guided Treatment With Regenerative Medicine Therapy”, To Be Submitted 2027.

Alexander, Robert W., “Understanding Adipose-Derived Tissue Stromal Vascular Fraction (AD-tSVF): Cellular, Structural, Paracrine Components, Exosomes, and Biocellular Applications in Regenerative Medicine – An Updated Concise Review”, 2027. Pending Pub

Alexander, Robert W., “Multilineage-Differentiating Stress-Enduring (Muse) Cells Within Tissue and Cellular Stromal Vascular Fraction (tSVF/cSVF: Characterization, Isolation, Flow Cytometric Measurement, and Clinical Application in Musculoskeletal (Orthobiologic) and Intravenous Systemic Regenerative Medicine”, To Be Submitted in 2027.

Alexander, Robert W., “Adipose-Derived Tissue Stromal Vascular Fraction (tSVF) In Regenerative Medicine: Cellular Architecture, Paracrine Signaling, Exosomal/Vesicle-Mediated Communication and Translational Clinical Applications”, 2027. Pending Submission

CLINICAL TRIALS (NIH/FDA OVERSIGHT)

Principal Investigator FDA Registered NCT Clinical Trials: [ClinicalTrials.gov]

NCT 02987855 Adipose Stem & Stromal Cells in RSD, CRPS, Fibromyalgia (AD-cSVF- CRPS) (RSD-CRPS)

NCT 03090672 Biocellular Regenerative Therapy in Musculoskeletal Pain, Dysfunction, Degenerative or Inflammatory Disease Using Cell-Enriched AD-tSVF (GARM 3)

NCT 02959294 Use of Adipose-Derived Stem and Stromal Cells in Concussion and Traumatic Brain Injuries (RGV GARM 5)

NCT 02946658 Use of Autologous Adult Adipose-Derived Stem & Stromal Cells In Chronic Lung Disorders (COPD) GARM 6.1.16)

NCT 02952131 Use of Autologous Adult Adipose-Derived Stem & Stromal Cells in Inflammatory Bowel Diseases (RGV-GARM3)

NCT 02961114 Use of Autologous Adipose-Derived Stem & Stromal Cells In Symptomatic Benign Prostate Hypertrophy (RGV GARM 4)

NCT 02939859 Adipose-Derived Cellular Stromal Vascular Fraction (AD-cSVF) in Autoimmune, Inflammatory, Neurologic Conditions (RGV-GARM)

NCT 02849470 AGA Biocellular Stem & Stromal Therapy in Hair Regeneration (STRAAND)

NCT 03090672 Cellular & Biocellular Regenerative Therapy in Musculoskeletal Pain, Dysfunctions, Degenerative or Inflammatory Disease (BRT)

NCT 03514537 Autologous Stem/Stromal Cellular Stromal Vascular Fraction (cSVF) in Frailty-Aging Processes (GARM-W)

NCT 02849470 Androgenic Alopecia (AGA) Biocellular Stem/Stromal Hair Regenerative Study (STRAAND)

NCT 03078686 SAAA-GARM 1 Biocellular-Cellular Regenerative Treatment Scaring Alopecia and Alopecia Areata (SAAA)

NCT 03090672 Cellular & Biocellular Regenerative Therapy In Musculoskeletal Pain, Dysfunction, Degenerative or Inflammatory Disease

NCT04326036 Use of cSVF Via IV Deployment for Residual Lung Damage After Symptomatic COVID-19 Infection (IRB - GARM-COVID19) (2020)

NCT 07546942 Autistic Spectrum Disorder (ASD): Protocol For Management For Patients Over 12 Years of Age Including Cellular Stromal Vascular Fraction (cSVF) Interval Therapy Using Autologous Cryopreserved Mesenchymal Stem Cells, Fecal Transplantation, & RESET Diet Program. GARM-AUTISM, April 2026
